Associated fields : Derivative academic fields of study may both interact with and develop independently of filmmaking, as in film theory and analysis. Fields of academic study have been created that are derivative or dependent on the existence of film, such as film criticism, film history, divisions of film propaganda in authoritarian governments, or psychological on subliminal effects e.g., of a flashing soda can during a screening. These fields may further create derivative fields, such as a movie review section in a newspaper or a television guide. Sub-industries can spin off from film, such as popcorn makers, and film-related toys e.g., Star Wars figures. Sub-industries of pre-existing industries may deal specifically with film, such as product placement and other advertising within films.

Other major films have postponed releases in certain countries. The Pixar film Onward, released on the opening March weekend, was not opened in the areas most affected by the coronavirus outbreak while cinemas were closed in China, it also chose not to open in South Korea, Italy or Japan.⁹⁰ Other March 2020 releases A Quiet Place Part II and Mulan postponed their releases in affected areas, too. This prompted worry that, should March film openings underperform, blockbusters set for release in May specifically DisneyMarvels Black Widow and Universals F9 would move their dates later in the calendar.¹⁸⁷ Mulan not opening in China, where it aimed to make most of its money, was particularly concerning,⁹¹ especially with the possibility that pirate copies will appear and prevent Chinese moviegoers from going to see it in cinemas when it is released.⁹ Comparatively, A Quiet Place Part II had not anticipated a large Chinese draw, as the box office for the first film in the country was only 10% of its total.⁷

Two weeks later, movie theaters in Los Angeles began reopening with 25% capacity. On March 23, 2021, Regal Cinemas announced that they would reopen their cinemas beginning April 2, 2021.¹⁹⁹ On April 19, it was announced that capacity for New York cinemas would

be raised to 33% on April 26.²⁰⁰ The same day, California issued an addendum that orange-tier counties would be restricted to 50% with no hard cap on patrons, and that counties under the yellow Minimal tier would be allowed to operate cinemas and other selected venues at up to 75% capacity if all attendees present proof of full vaccination or a recent negative COVID-19 test. Guidance was also issued for seating sections with less physical distancing for those who are fully vaccinated.²⁰¹ After filing for Chapter 11 bankruptcy protection in October 2020 and March 2021, respectively,²⁰²²⁰³ Studio movie Grill and Alamo Drafthouse Cinema respectively emerged from Chapter 11 in late-April 2021 and early-June 2021 with new funding, and some underperforming locations closed along with plans for new theaters being built.²⁰⁴²⁰⁵ On April 21, 2021, The Decurion Corporation, parent company of Arclight Cinemas, the Cinerama Dome, and Pacific Theaters, announced they would be shutting down all of its locations, due to the financial impact of the pandemic.²⁰⁶²⁰⁷ Two months later, Pacific Theaters filed for Chapter 7 bankruptcy.²⁰⁸
